Agent Profit Model

High Margin Profit: Our products are priced far below the market price of new devices while maintaining premium quality, ensuring you earn substantial margin profits on every purchase.
Long-term Repeat Purchase Revenue: High-quality products drive customer retention. As your customer base grows, your revenue will continue to grow steadily.
Economies of Scale Benefits: The larger your order quantity, the more favorable the unit price, further expanding your profit margins and achieving "more purchases, more earnings".

Who are we?

We are your trusted source for high-value, top-quality second-hand digital products. Our platform offers a curated selection of used smartphones, earphones (including Bluetooth earbuds), laptops, printers, drones, and more—all rigorously inspected to meet our strict quality standards.

Our Philosophy

We believe in "what you see is what you get"—every product is presented transparently, so you know exactly what you're purchasing. Quality is our bottom line and the very foundation of our existence; we're here to change how the world perceives pre-owned electronics.

For your profit

Each purchase you make directly translates into high returns for your business. The reliability and quality of our inventory will build customer loyalty, driving repeat orders and long-term, sustainable income. Your success is our success—we design our platform to make your profitability the foundation of our partnership.
